

...sustainable, practical,

curious, longingly, motivated, steady,
aesthetical, observant, ambitious, social,
open-minded, visionary, adobe-trained,
cheerful, attentive, delighted, conscious,
hungry, free thinking, graphical, critical,
detailed, interested, spontaneous,
relaxed, ready for dialog?

at the moment we are building a sustainable startup (brand, product, marketing...), a dialogue-game for a strong Europe, are involved with a tree nursery (elm tree) and are sending books on their travels. otherwise we are looking after new ideas and projects-to-be.

design - internship 6 months > after bachelor <
